SafeSell
Protection Guard

SafeSell 600 995 x 595 x 195

- *Proudly designed and manufactured in Australia*
- *Easy to install*
- *Convenient one piece guard*
- *Cost effective*
- *Easy to clean*
- *Lightweight PETG*

Our SafeSell Protection Guard can offer an extra hygienic barrier for your front line staff.

Manufactured from PETG polymer, our guards come in an easy to assemble, one piece, flat pack system.

Machined using only one piece of PETG polymer for ease of installation.

Our SafeSell Protection Guard can be installed and secured with strong double sided 3M™ VHB tape or screws into existing POS reception desks, café and take away counters or tables*

**Adhesion strength depends on surface condition & preparation*
